Spray System from Carlisle**

Save Money and Manpower While Growing Your Business.

Let Carlisle Coatings & Waterproofing, the leading manufacturer in the waterproofing industry, help you grow your business.

The GH 733 Co-Spray Package is ideal for spray-applying Barricoat-S, Barriseal-S and Barritech VP. That means one pumping system lets you bid and win both waterproofing and air barrier projects.

Work Below and Above Grade!

- Barricoat-S: Flexible and elastic waterproofing membrane for below-grade structures.
- Barriseal-S: Air/vapor barrier for above-grade wall assemblies.
- Barritech VP: Vapor-permeable air barrier for above-grade wall assemblies.

Earn a FREE Pump!

To make this business decision even easier, CCW is offering a rebate of up to 100% on the purchase of the approved spray equipment as indicated in the 2010 Rebate Table. Contact CCW Technical Services at 1-888-229-2199 for a list of approved spray systems.

In other words, CCW will be paying you back for growing your business.

Put the power of Carlisle's superior products, outstanding technical support and complete system warranties to work for your organization, and start earning your free spray system today!

To learn how to grow your business with Carlisle Coatings & Waterproofing, call 1-800-527-7092 or visit www.carlisle-ccw.com.

All submittals for rebate are subject to review by Carlisle for accuracy and veracity.

Rebate Program:

1 Gallon Product = 1 Dollar

CCW will pay you \$1.00 for every gallon of Barriseal-S, Barricoat-S, Barricure and Barritech VP you spray with your new spray rig!

TERMS & CONDITIONS:

Maximum amount of rebate is equivalent to the original purchase price of the new spray system. Rebate does not apply to shipping costs or spare parts. Must take delivery of new spray system in 2010. Only Barriseal-S, Barricoat-S, Barricure and Barritech VP purchased AFTER the new spray equipment AND within one year of purchase of the spray equipment will be counted in the rebate program. Rebate is disbursed to recipient by check upon receipt of the completed rebate form, a copy of invoice for new spray system and copies of invoices for Barriseal-S, Barricoat-S, Barricure and Barritech VP purchases.

To redeem your rebate, simply:

- Purchase a new spray system as indicated in the 2010 Rebate Table.
- Hold on to invoices for Barriseal, Barricoat, Barricure and Barritech VP shipped after receipt of the spray system, but not more than 12 months after receipt of the spray equipment.
- Complete a CCW Rebate Form available at www.carlisle-ccw.com.
- Send completed Rebate Form and Barriseal-S/Barricoat-S/Barricure and Barritech VP invoices to:

CCW's Corporate Headquarters
Attn: Spray Pump Rebate Program
900 Hensley Lane
Wylie, Texas 75098

- Deadline for submitting your 2010 rebate is December 31, 2011.

Note: The rebate form MUST be accompanied by the invoice for the spray equipment and all applicable invoices for products that are to be considered for the rebate.
