To Whom It May Concern:

Please accept this letter as certification that ALL of the following products, which when used in proper combination represent Carlisle Coatings & Waterproofing Incorporated's CCW-500R Reinforced Hot Applied Liquid Membrane System, are manufactured in the United States of America:

<u>Products</u>	<u>Location of Manufacture</u>
CCW-500 – Hot Applied Liquid Membrane	Elberton, GA
CCW-550 – Primer	Chicago, IL
CCW-711-90 – Sheet Membrane & Flashing	Terrell, TX
CCW-704 Mastic	Terrell, TX
CCW Protection Boards H, HS & V	Alabama & Georgia
ALL CCW MiraDRAIN® Products	Elberton, GA

In addition to these core system products, the following accessorial products supplied by Carlisle Coatings & Waterproofing Incorporated are also manufactured, sourced or grown in the United States of America:

ALL EPS and XPS Insulation

ALL Pavers

ALL Engineered Soil for use on Green Roofs & Plazas

ALL Sedums (including sedums and plugs) for use on Green Roofs & Plazas

All Moisture Retention Mats for use on Green Roofs & Plazas

We at CCW are very proud of the fact that the vast majority of the products we sell are manufactured within the United States of America. As such, should you need additional documentation regarding the location of manufacture on other CCW products not specifically listed above, please contact your local regional sales manager or CCW Customer Service at any time.

Sincerely,

Jason Covington
General Manager
